## South Hadley Public Library—June 2009

### STARSHIP ADVENTURE @ YOUR LIBRARY

Children and teens ages 3 through 18 are welcome to join this summer's reading program: **STARSHIP ADVENTURE @ YOUR LIBRARY.**

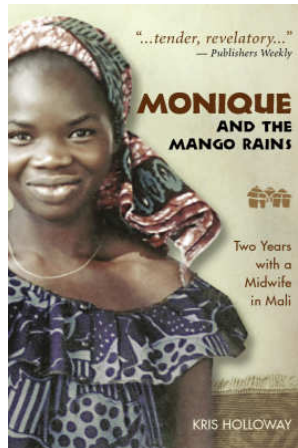

There will be a variety of space and alien themed programs throughout the summer. Our kick-off celebration will be on **Monday, June 22<sup>nd</sup> at 6:00** with Mike, the Boston Bubble Guy. He'll be presenting "Fun and Discovery with Bubbles" which will be enjoyed by all ages. Many more programs will be featured during the schedule that runs from Monday, June 22<sup>nd</sup> through Saturday, August 1<sup>st</sup>. Stop by the library or check out our website for a complete listing of activities.

### Author Kris Holloway—June 17<sup>th</sup>

Author Kris Holloway, whose book *Monique and the Mango Rains* has graced many

recommended book lists, will visit the library on **Wednesday, June 17<sup>th</sup> at 6:30**. Her tale is the true story of the life and death of a remarkable West African midwife, seen through the eyes of a young Peace Corps Volunteer who worked side-by-side with her, birthing babies and caring for mothers, in a remote, impoverished village. It is a rare

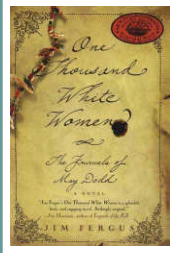

tale of friendship that reaches beyond borders to vividly and irrevocably unite another woman's world with our own. Join us for an evening that will entertain and inspire.

### Gates Foundation Awards Library 4 New Computers

An Opportunity Online grant from the Bill & Melinda Gates Foundation has provided four new computers to improve the community's access to online information. These Windows Vista computers (#1-4 on the network) are now available for job searching, E-mail, homework, and other informational or recreational use. We've also updated the library's access policy to allow unlimited logins with up to 2 hours of computer time daily.

 THE ALIENS ARE COMING!**

Participants in the summer reading program who are going away

on vacation can take along with them for a week. The alien is actually an adorable plush toy. The only catch is that you have to take great pictures

of the alien enjoying time on vacation and either e-mail them to Meg Clancy, Youth Services Librarian or else bring back actual photographs to hang in the Youth Room. For more information call or stop by the library.
